

California's Child Abuse Prevention Councils

Best Practices Guidelines

Child Abuse Prevention Councils (CAPCs) are the catalyst, convener and coordinator of the countywide approach to prevention of child maltreatment. Each CAPC prioritizes strategies for action, and builds foundational capacity to move the state and local prevention agenda forward. The Office of Child Abuse Prevention (OCAP) provides these definitions and guidance to support CAPCs in their leadership role, partnering within counties and communities to promote child and family health and well - being.
